COMMUNITY RELATIONSHIPS

NEW ENGLAND CULINARY ARTS TRAINING (NECAT)

NECAT's 14-week training program emphasizes culinary skills, life skills and career readiness equally, so that students graduate with culinary competencies, self-confidence and employment savvy. The ultimate goal is to help graduates envision a new future for themselves and understand the actions needed to move their lives forward. Additionally, with a sophisticated network of social service partners, we're able to connect our participants to a wide range of supportive services, like helping them navigate the application processes and documentation required to be eligible for subsidized housing and other government benefits.

TITI'S CUPCAKES

Titi's Cupcakes, serves the Boston and South Shore areas making specialty cupcakes for any occasion. Titi's Cupcakes also offers beautiful candy bar and dessert table displays to make your party extra sweet, extra beautiful and extra special! They take care of setting up the dessert table, so you don't have to. You can place an order through her website.
